

Economics  
as if the  
environment  
matters

# FORUM FOR ECONOMICS AND ENVIRONMENT

FIRST ANNUAL CONFERENCE

Cape Town 11-12 February 2002

# Bridging the economics/ environment divide

Refereed conference proceedings  
Edited by Prof JN Blignaut  
June 2002

# FORUM FOR ECONOMICS AND ENVIRONMENT

Please visit us @: <http://www.econ4env.co.za>

The vision of the Forum for Economics and Environment (FEE) is to:

*integrate the ecology and economy of southern Africa through the promotion of equitable economic and social development within the limits of natural systems.*

As a knowledge network and non for profit organisation for public benefit the objective of FEE will be achieved by its mission, namely to:

*stimulate research,  
disseminate information, and  
influence policy through facilitation of open debate and capacity building.*

## **Forum Steering Committee:**

*Prof Geoff Antrobus
